

## AD GREEN

Product datasheet

Office luminaire which is made from recycled and recyclable polypropene. Made in Finland.

## Technical data

Nominal power	38-63W
Luminous flux	5000—9000 lm
Color temperature	options: 4000/5000/adjustable
IP Rating	IP20
Protection class IK (shock resistance)	IK08
Frame material	Recycled PP
Frame color	Black (paintable)
Lighting control	on/off, dali, casambi
Operating hours	>50.000 hours
Guarantee	5 years / 2 years STUL
Country of origin	Finland

## Dimensions

Length	1200 mm
Width	85 mm
Height	65 mm
Weight	3 kg
